

COUNCIL COMMUNICATION

TO:	THE CITY COUNCIL	COUNCIL MEETING DATE	NO.
FROM:	THE CITY MANAGER'S OFFICE	JUNE 20, 1990	

RECOMMENDED ACTION: That the City Council award the bid for the purchase of one 10,000-pound capacity forklift to the low bidder, Hyster Corporation of Modesto, in the amount of \$32,171.44, including an optional side-shift attachment to facilitate handling and stacking.

BACKGROUND INFORMATION: On May 16, 1990, the City Council approved specifications and authorized bidding for one 10,000-pound capacity forklift for use at the Municipal Service Center. Bids were opened on May 30, 1990, with the following results:

Bidder	Equipment	Base Bid	Sideshift Option	Total Amt
Hyster Co., Modesto	Hyster	\$30,583.00	\$1,588.44	\$32,171.44
Watts Eq., Stockton	Toyota	31,457.44	759.69	32,217.13
JM Lift, Stockton	Kalmar	31,025.00	1,381.25	32,406.25
Graylift, Stockton	Clark	32,369.06	2,619.06	34,988.12
Tenco Lift, Stockton	Cat'pllr	33,203.66	1,123.06	34,326.72

The existing higher-capacity lift at MSC is a 1961 Moline, purchased as used equipment by the City in December, 1974, and having a rated capacity of 6,000 pounds. Because of its age, repair parts are increasingly hard to find, and extended periods of downtime are becoming more frequent.

The new forklift will be used to handle larger transformers and vaults, cable reels, metalclad switchgear, and other materials and equipment exceeding the 3,000-pound rated capacity of the smaller forklift at MSC.

The 1989/90 budget includes \$35,000 for the purchase of this equipment.

Delivery is expected about 8 weeks after placement of order.

Joel E. Harris, Purchasing Officer

cc: Electric Utility Director
Assistant Electric Utility Director
Superintendent, Building & Vehicle Maintenance

RESOLUTION NO. 90-96

A RESOLUTION OF THE LODI CITY COUNCIL
AWARDING THE BID FOR PURCHASE OF 10,000-POUND CAPACITY FORKLIFT
